## **Calvert County Barn Quilt Trail**

The Arts Council of Calvert County is proud to be the sponsor of  
the Calvert County Barn Quilt Trail.

This spring, 12 Barn Quilt Squares will be constructed  
and installed on barns around the County.

The Calvert County Barn Quilt Trail will honor both the agricultural tradition of our County and  
the artistic traditions of quilting.

If you would like to design a square or have a barn where a square could be mounted, please  
contact the Arts Council at [director@calvertarts.org](mailto:director@calvertarts.org).
