5k Run & Walk
North Beach
Boardwalk, MD

8 am: Packet Pick-up
9 am: Race starts

Award ceremony &
family fun to follow!

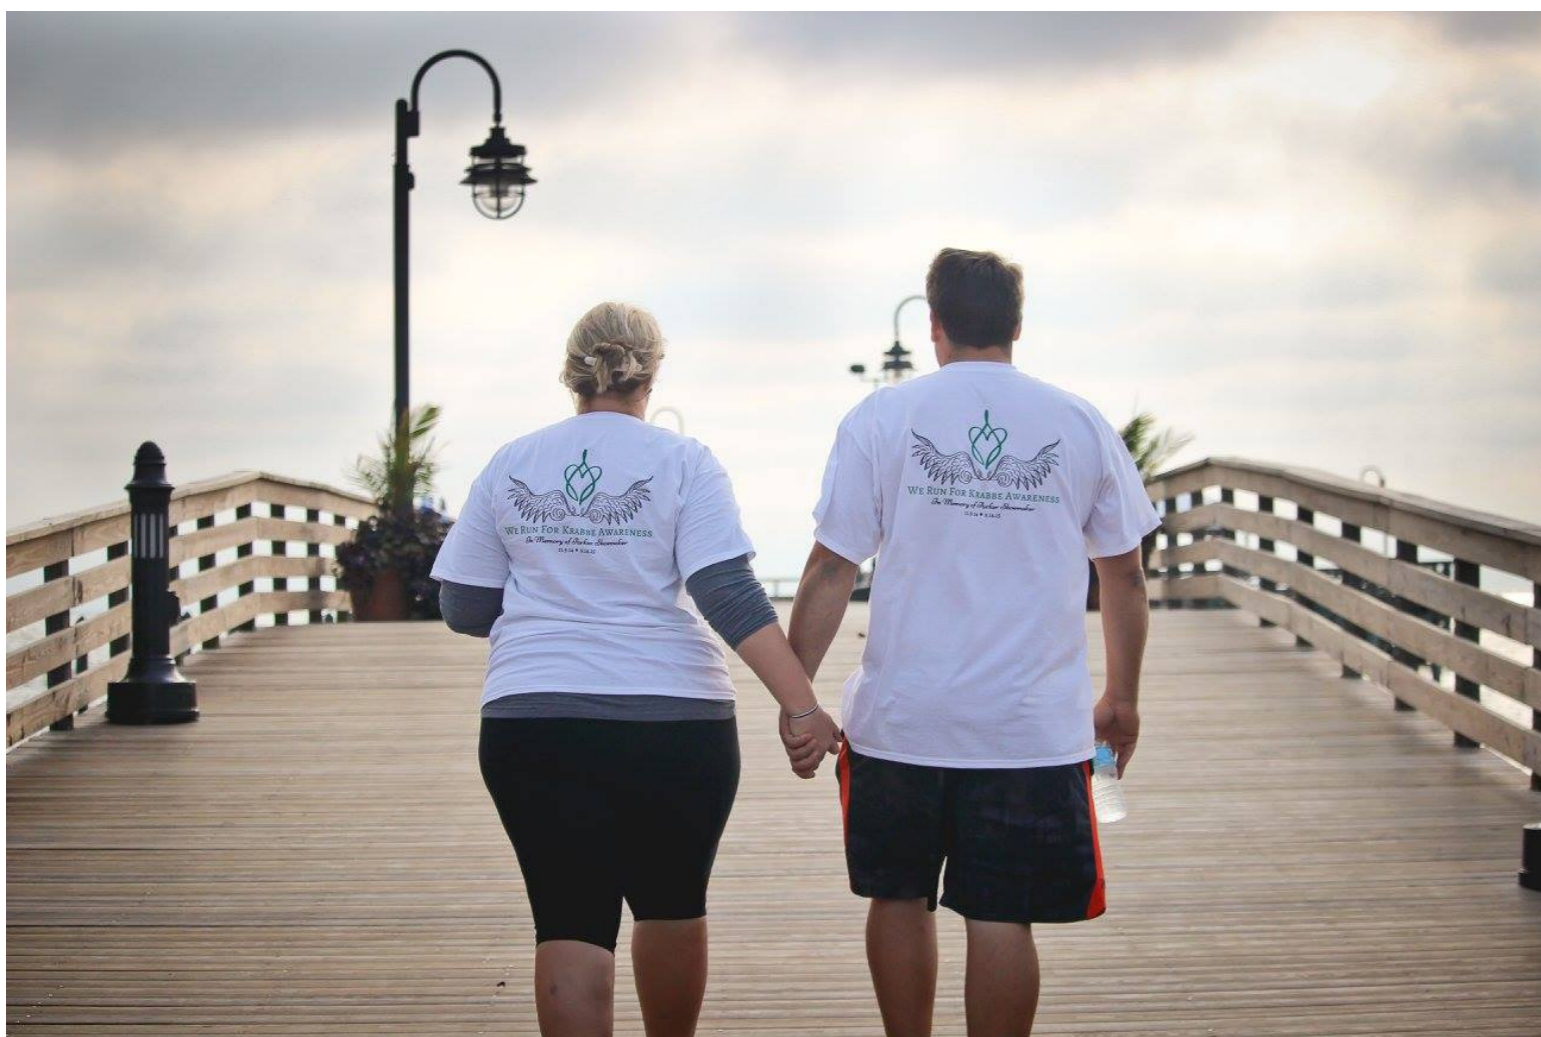

We Run For Krabbe Awareness

Please join Parker's family as they host the 2nd annual 5K to raise funds and awareness about Krabbe disease. All funds raised benefit the Hunter's Hope Foundation.

Krabbe Leukodystrophy took 10-month-old Parker from his parents' arms and put him in God's.

Because the state of MD does not screen for Krabbe disease, Parker was diagnosed too late to be eligible for life-saving treatment.
