

- **Maintain Your Heating Systems:** Most of your cold weather energy expenses are related to heating your home. Schedule service for your heating system to find out what maintenance is required to keep your system operating efficiently.
- **My Account Online Tools:** Your BGE online account contains tools and detailed energy usage information. By tracking your energy usage right after you use it, comparing usage trends, and discovering the results of energy-saving practices, you can manage your energy more efficiently. Log onto [BGE.com/MyAccount](http://BGE.com/MyAccount) to get started.
- **Take Advantage of the Sun's Heat:** Open curtains on your south-facing windows during the day to allow sunlight to naturally heat your home, and then close them at night to reduce the chill you may feel from cold windows.
- **Use Your Ceiling Fan:** You can reverse the motor and airflow direction of ENERGY STAR® certified ceiling fans to operate the fan year-round. In the winter, reverse the motor and operate the ceiling fan clockwise at low speed to produce a gentle updraft that forces warm air near the ceiling down into the occupied space.
- **Use Energy Efficient Lighting:** Install efficient LED bulbs to reduce lighting costs year-round.
- **Quick Home Energy Check-up:** This is a fast, easy and free way to increase the energy efficiency of your home and help you start saving immediately. When you schedule a Check-up, an energy efficiency professionals will come to your home and identify simple ways to help save energy and money. Visit [www.bgesmartenergy.com](http://www.bgesmartenergy.com) to schedule.
- **Download the BGE Mobile App:** BGE's new mobile app allows you to easily access your account information on the go. The app makes it simple to manage more than one account at a time and is available to both residential and business customers on a smartphone or tablet.

**For customers who want to help others with their energy bills with gift payments, or through the Fuel Fund of Maryland and the Dollar Donation Fund, please visit [BGE.com](http://BGE.com) under Assistance Programs.**

###

*[BGE](http://BGE.com), founded in 1816 as the nation's first gas utility and headquartered in Baltimore, is Maryland's largest natural gas and electric utility. The company's approximately 3,200 employees are committed to safe and reliable power delivery to more than 1.25 million electric customers and more than 650,000 natural gas customers in central Maryland, as well as enhanced energy management, conservation, environmental stewardship and community assistance. J.D. Power's 2017 Electric Utility Business Customer Satisfaction Study(SM) ranked BGE highest in customer satisfaction with business electric service in the east among large utilities. The company also has an estimated annual economic impact of \$5 billion of output in its service area, supporting more than 9,500 local jobs and producing \$923 million in labor income. BGE is a subsidiary of Exelon Corporation (NYSE: EXC), the nation's leading competitive energy provider.
