Snow or Shine**

7 years ago CBOCS was founded on a cold day in the winter of 2011. This year we will celebrate 7 great years of growing oysters, educating youth, outreach to the community, water monitoring and enhancing the Chesapeake Beach Railway Trail. Join CBOCS members and other interested residents for the 2018 annual meeting of CBOCS at the Chesapeake Beach Town Hall. 9:30 AM for continental breakfast, conversation and 10 – 11:30 AM for the meeting.

Listen to “many” CBOCS members talk about their involvement on 2017 projects and their plans for new 2018 events.

Participate in shaping the future of CBOCS with your ideas and energy.
